

ULTIMATE FUNDING

CAN BE APPLIED TO FUND PROJECTS, LEASE INSTRUMENTS ETC.

**From
€2.5M
and up!**

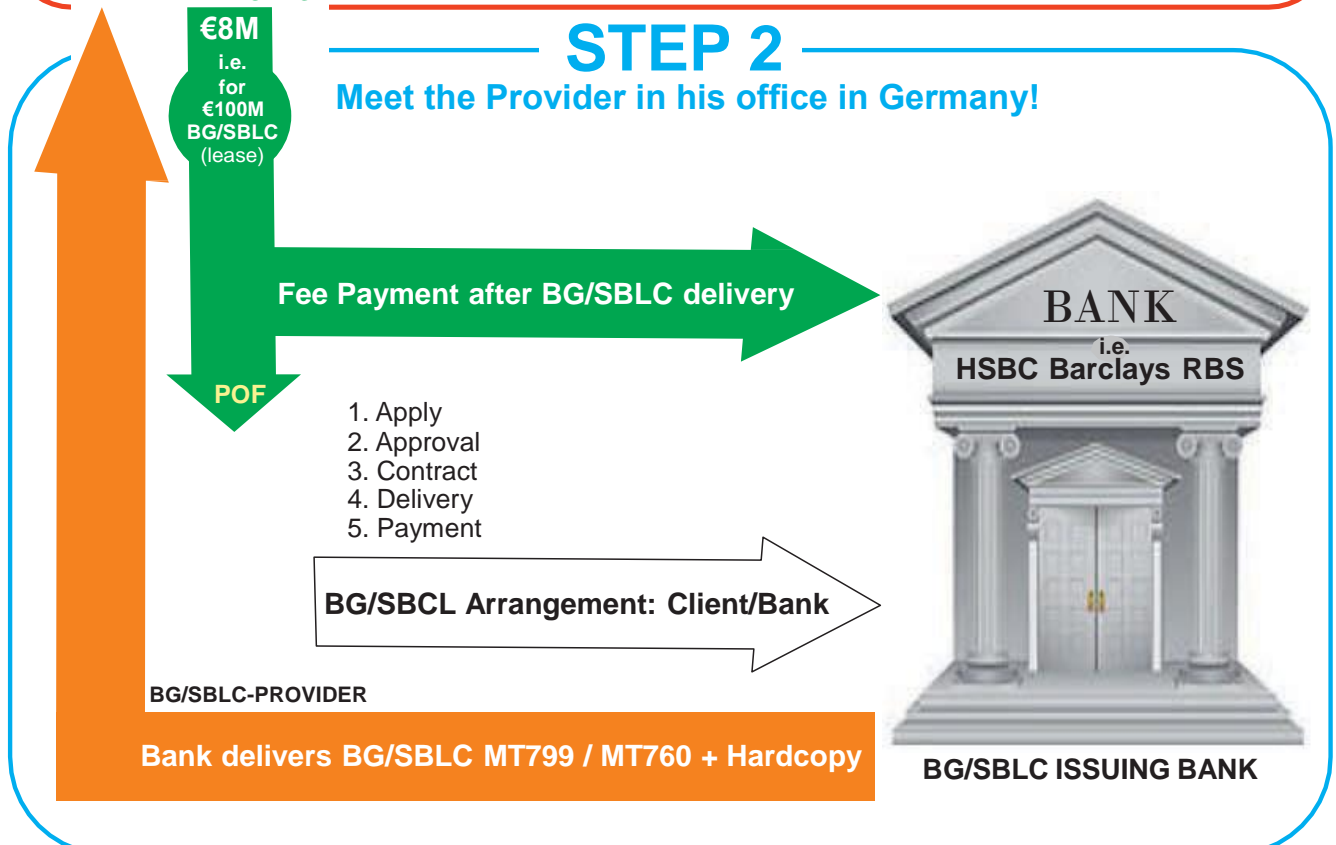

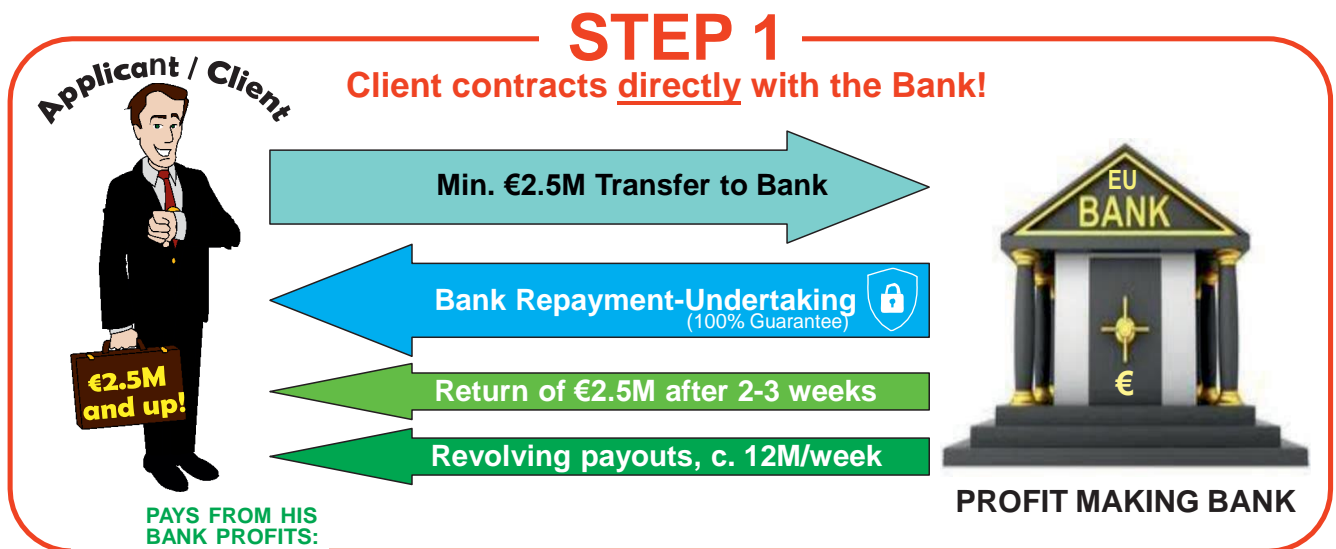

Step 1 by itself is an independent opportunity to fund projects or to just build-up wealth.

Step 1 seamless combined with Step 2 allows fast funding bank instruments and others.

We are direct, without any intermediaries, to the Profit Making EU-Bank (Step 1) and also direct to the Provider of Bank Instruments (Step 2) who is direct to the Bank Instruments issuing Prime Banks (HSBC, Barclays, RBS and other issuing Prime Bank headquarters).

Step 2 works also as an approved and independent stand-alone access to Bank Instruments if the client has the required fees to pay for the instrument and doesn't need funding for his (lease-) instrument costs and fees. Ask us for Instruments with face values from 1M and up. Optional: Provider can arrange Instruments >10M to participate in a PPP with his Trader.

We speak and work only with the applicant/client and need proof of liquidity first. Brokers will get paid on each step but must step back to avoid misunderstanding and misleading clients.

THIS IS NOT A OFFER BUT A CONFIDENTIAL INFORMATION AND PRESENTATION FOR QUALIFIED AND INTERESTING PARTIES.
